UNITED DAUGHTERS

Of the Confederacy to Meet in Richmond Next Month.

Davis, the "Daughter of the Confederacy," to be Unvelled-Norfolk Will be Represented.

The week beginning November 6th will be given over to the United Daughters of the Confederacy, who will hold their annual meeting in Richmond. The events promise to be of surpassing interest and after the body adjourns there will be left as evidences of its presence in the Capital City tributes to the mem-ory of the dead. Greatest of all will be the monument to the "Daughter of the Confederacy" which is to be unveiled during the week with fitting ex-

THE WEEK'S WORK.

As stated, the entire week will be given up to Confederate work. A meeting of the regents of the Confederate Memorial Literary Society representing the States of the Southern Confederacy, will be held Monday, the 6th at the White House of the Confederacy, will be held Monday, the 6th at the White House of the Confederacy, Tucsday, the Grand Division of Virginia Convention will be held at Lee Camp Hall.

The convention of the United Daughters of the Confederacy will begin at the Jefferson Wednesday. Thursday the Winnie Davis monument will be unveiled. The ceremonies will be in charge of Lee Camp, C. V., and the camps throughout the country have been requested to send representatives to do honor to the memory of the woman all loved. Camps will be welcomed if they can come.

The Confederate Memorial Association will open the door of the Museum free of charge during the week to all Daughters of the Confederacy, the badges of the Daughters, either United or Chapter badges, entitling them to admission.

badges of the Daughters, either United or Chapter badges, entitling them to admission.

The association desires that the Daughters shall see what has been done by their States and how much they can do towards making the White House of the Confederacy, representing each State as it does, not a Virginia Museum as many seem to think, but a Confederate which it is.

One of the most important questions to be brought up at the convention is whether the erection of a monument to President Davis will be undertaken by the Daughters of the Confederacy. The veterans at the Charleston reunion requested them to do so. In the opinion of many it would be the crowning glory of the work done by the women of the South and it is hoped they will undertaken.

FRAUD IS CHARGED.

Deputy Marshal West went to Newport News yesterday to take nominal charge of two lots of land on Twenty-third street, in that city, which, by order of Judge Waddill, are to remain in possession of the United States Court until a final hearing is had on the petition filed by L. L. Anderson, trustee of the estate of R. C. Bristow, a Newport News bankrupt.

Anderson, through Attorneys Bickford & Stuart, alleges that the land in question was fraudulently transferred to Thomas E. Stagg, of Richmond, for \$1.500, by Bristow, before he made his assignment; that there was a deed of Trust on the property held by the Guarantee Building and Loan Association, of Richmond, to secure a loan of \$500 at the time the property was transferred. It is further alleged that about the time the transfer was made Bristow paid Hunter & Sims, lawyers, of Newport News, a small sum and gave a promisory note for the balance of the judgment. It is charged that Stagg, the Richmond man to whom the transfer of the property was made, furnished the cash in the latter transaction. The charge is made that Stagg, who formerly furnished Bristow, a contractor, with building material, was made a preferred creditor by Bristow in violation of the bankruptcy act. The case will come up for hearing at the November term of the United States Court.
